To whom it may concern

I have known P.F. Lazor since 1979 through his association with my sister, Marlene Hepp. He is a very conscientious person talented in music & as an entertainer.

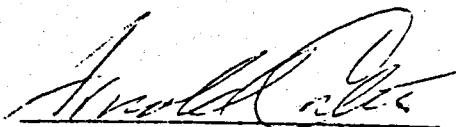

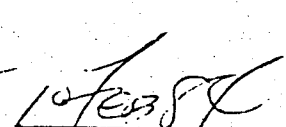

He has been an asset helping Marlene raising her two boys in the absence of a father.

In the brief encounter with P.F. I find him interesting, likeable & a very considerate person.

Yours truly,

Arnold Corbett

Affidavit;

I do solemnly swear under penalty of perjury, that the foregoing is true and correct to the best of my knowledge.
