We have won 3 games and lost 2 games.

I wouldn't be writing this letter if I didn't love you.

Its hard to write someone you have never wrote to before. Benji is fine I have to buy food for him right now. Tiger is hardly ever coming around here. My cousin

Howard is getting a new job working in L.A. as a truck driver with Lee. Phillase might go there to. Please get out as soon as possible and see me. We all love you.
