

AFFIDAVIT OF DAVID KOPIN

I, David Kopin, declare that the following statements are true and correct, based on my personal observation, knowledge and interactions with P Freeman Lazor:

I am a prisoner at California Medical Facility at Vacaville, California and I work in the same department as PF Lazor on an almost daily basis. My address is David Kopin, D-46105, P.O. Box 2000-M-235L, Vacaville, CA 95696-2000.

I fortuitously met PF Lazor over a year ago, at which time I was intrigued with his simplistic, logical mannerisms.

Our acquaintance became as friendship as we shared mutual interests, commonplace achievements and current events.

My perspective of PF Lazor is one of an artist and a Christian.

PF Lazor is a Christian. He is kind, charitable and soft spoken. He is firm in conviction, yet non-judgemental of others. PF Lazor is not a man of broken spirit, but one who is intelligent, educated and concerned. He is physically, mentally and spiritually aware. His actions and involvements are constructive and meaningful. His character is pleasant and entertaining in proper context. He has proved a worthy and worthwhile human being in the time I have known him, and I share with him in his accomplishments and misfortunes.

The justice of the good Lord always prevails, but is not always understood. I pray for PF Lazor and to bear witness to his composure.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
