To Whom It May Concern:

I have known P.F. Lazor since the fall of 1976. We were students at Ohlone College, working on and appearing in the fall theatre production.

In all the years I have known him he has always been dependable. Several times he has taken care of my home when I was away.

He works extremely hard for the things he believes in and has a strength of character and sense of idealism possessed by very few.
