Dear Mr. Nielsen and Board members:

I am writing to plead with you for the release of P.F. Lazor from prison. Since imprisonment is for the protection of the citizenry, it would seem unreasonable to retain a man who will be no threat to society. Rather, he will be an asset, as he was before, and even more so, as he has matured as a true believer in God during these hard years. He has no desire to treat others differently than he wishes to be treated.

Thank you in advance for your honest consideration of freedom for this man.

Sincerely,

Fran Scott
