

AFFIDAVIT OF "GIRL GEORGE"

I, Girl George, declare that the following statements are true and correct based on my personal observation, knowledge and interactions with PF Lazor:

A few months ago, my sister (living in Clear Lake, California) sent me a tape she had recorded off the radio. When she heard the name "PF Lazor," she put a tape in her recorder, remembering that PF had been a friend of ours back in 1979-1980 when he was doing his Buddy Holly Review. When I received the tape, which was from the Jerry Gordon show on KGO talk radio, from August 11, 1989, I could not believe what had happened to PF Lazor.

I had remembered PF all of these years because he was one of the kindest, gentlest people I have ever met. He was sweet, and honest to a point far beyond anyone I had ever met.

I, being an entertainer and a songwriter of social comment songs, have always studied people. PF never had a hot temper or carried a grudge about anything. He was never into any drugs, and never had anything bad to say about anyone. Violence was not part of his makeup. He was very intelligent, and would talk about things rather than fight.

I would have been glad to have testified to PF's character if I had known about it and had been called at his trial in 1983.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
