Ref: parole hearing of Mr. PF Lazor

Would you inform me of the date now set for the parole hearing for Mr. Lazor. Others in Missouri have become interested and would like to send a letter, time permitting. I had first been told that it was to have been in July, but postponed.

My husband and I do wish to help him in any way possible. We enclose a self-addressed, stamped envelope for your convenience. Thank you.

Respectfully yours,

John and Mary Graham
