Dear Mr. Gillis,

A am writing concerning my brother, P Freeman Lazor, who is presently an inmate in Folsom Prison (His # is C-73842). He is soon to have a parole hearing, and, of course, our family is hopeful of his release.

If Freeman is released, I would be glad to have him live here in my home, if he would be allowed to move to Georgia. I have a 4-bedroom house here with plenty of space available for him.

Also, I have a friend here who is the head deacon in my church, who can have a job available for Freeman, if he is released and allowed to move to Georgia. This same man provided jobs for both my aunt and cousin, when they moved here from Europe two years ago, and has promised that he would have work available.

I will be glad to do whatever I can to help Freeman get a new start here, if he is released and allowed to move here.

Thank you for your consideration in this matter.

Sincerely,

John Lazor
