

AFFIDAVIT OF KATHY J. QUEEN

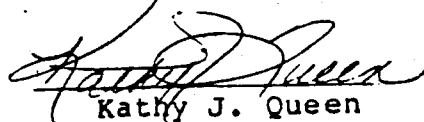

I, Kathy J. Queen, declare that the following statements are true and correct, based on my personal observation, knowledge and interactions with PF Lazor:

I am the Administrative Assistant of CATV Services, Inc. located at 2211 Warm Springs Ct., Fremont, CA. I have been so employed by this firm for approximately 13 years and have been a resident of Fremont for 21 years. I am married and have 2 natural and three stepchildren.

I met PF in March of 1978 when he was acting as my real estate agent in the purchase of my home at 5605 Cello Way, Fremont where I continue to reside. During the business relationship with PF, he conducted himself most professionally and honestly and I had full confidence in his word and action to the point that he completed my home purchase and became a personal friend of mine and my then husband, Richard DeCausemaker, Jr. We saw him often and my husband did quite a bit of pleasure flying with PF in small aircraft for leasure. We enjoyed his Buddy Holly performances as well and always felt him to be a warm and sincere person with high ambitions and alot of personal strength and drive. I was totally shocked upon hearing the idea that he could have hurt a human being in any way and only believed that it must have been a matter of his own personal survival that could have allowed him to fight for his life.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowlege.
