James W. Nielsen, Chairman  
Board of Prison Terms  
428 J Street, 6th Floor  
Sacramento, Calif. 95814

Dear Mr. Nielsen:

We are writing to appeal for mercy for P. F. Lazor. Please look at his sentence and the time he has already served. Even if he did commit the crime he was prosecuted for, enough is enough.

It is difficult to comprehend why Mr. Lazor would be still languishing in jail. We believe his continued incarceration is a blot on our judicial system. We have people all over the country walking the streets who have been found guilty of much worse crimes. To punish him further only penalizes the citizens who have to support the prison system.

Please release P.F. Lazor! We have known him for years through our Christian ministry outreach to prisoners, and we would accept accountability for him if released to our care.

Sincerely,

  
K. J. Masat  
Minister
