I am writing to apologize that your correspondence got misfiled and I am just now finding it.

I, Michael E. Northcutt, declare the following statements are true and correct based on my personal observation, knowledge and interaction with P.F. Lazor.

1. I have been an orthodontist in Milpitas, California for approximately 25 years. Before that, I had 10 years of college training to include degrees from Stanford University, The University of California, and Columbia University.
2. I knew P.F. Lazor for several years prior to his incarceration, knew him as a patient and felt him to be a friend as well.
3. Although, P.F. Lazor and I were not social friends, we did interact more than the average patient/professional, inasmuch as he was dating a dental hygienist who is a good friend in the community. I found P.F. to be very reasonable, level headed, sane and intelligent. I personally held him in high regard.
4. If I had been called upon to testify or offered the opportunity to witness at P.F.'s trial in 1983, I would have been glad to do so. I put this in writing at the time and made it known, but was never called upon to do so.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
