James W. Nelson, Chairman  
Board of Prison Terms  
428 J. Street, Sixth Floor  
Sacramento, CA 95814

Dear Sir:

I am writing in regard to prisoner PFLAZOR  
C-73842

concerning parole consideration.

Please consider seriously the parole of  
PFLAZOR

This man is not a danger to society, myself,  
himself, or anyone. I can vouch for that.

He was raised in a Christian home with brothers  
and sisters, a loving family; as was my family:  
- raised in a Christian home <sup>as</sup> were <sup>our</sup> 16 children + we  
lived near each other + visited often. I am  
PF's aunt and can attest to his upbringing  
and behavior. Our 2 families were close + the  
children grew up together.

PF is not a threat to anyone. He is  
not a criminal. He is not dangerous. I can  
tell you this - not because I am his aunt -  
but he has always had a community minded  
spirit. I can speak only good of him. He's lived  
in my home. His conduct, behavior and lifestyle  
are a credit to our society.

Please - please consider this parole for him.  
~~but~~ <sup>and</sup> I do not know prison terminology, - PF is a  
good man who's life before prison, reflected a  
Godly manner. Please do offer him ~~an~~

an opportunity to be released back  
into society soon.

Please consider P.F. Lazer's  
release - & put him back  
into our society. He belongs  
here.

Thank you,  
Very Sincerely  
Marie Stipech
