

Affidavit of Marilyn Manning

I, Marilyn Manning, declare that the following statements are true and correct, based on my personal observation, knowledge and interactions with PF Lazor:

I presently own my own consulting company and work as a corporate psychologist in the San Francisco Bay area. I am a home owner, having resided in Los Altos and Mtn. View for the past 20 years. I have been married 25 years. I have known PF Lazor for several years including prior to 1983. At the time of our friendship, we both did part-time work in the field of television and film. We attended some related classes together and were in the same carpool. We studied and rehearsed together for these classes. He always conducted himself like a gentleman. He was kind and considerate. He kept his agreements and appointments. I experienced him as hard-working, honest, and friendly. I was aware that he attended the community church regularly.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
