**RE: GRANT PAROLE TO PF LAZOR, C-73842**

Others have sought and are seeking an early release from prison of PF Lazor. I am sure that you are aware--as I am--of the numerous solid reasons why this release should be granted, so I won't repeat those reasons here.

I will only say that I "met" Mr. Lazor about eight or ten years ago through an inquiry he made asking for one of my books. Since then, we have exchanged perhaps a couple dozen letters.

The thing I noted from that first letter to this last one was that this was more than a young man crying out for the justice that would give him his freedom. Beyond that, there was a deeper tragic note--not angry and vengeful--but just sad in a way that made me personally think what it would be like to be in his shoes.

I think PF Lazor is a good man. Along with the evidence which speaks for itself, I hope you will give him his freedom.

Sincerely,

**Marshall Hall**
