TO WHOM IT MAY CONCERN:

I meet P.F. Lazor several years ago when he answered an ad I had placed in the San Jose Mercury Newspaper. Since that time we have remained acquaintances and our paths cross several times a year.

Most of our dealings have been of a business nature and P.F. has exhibited a pleasant personality. I have at no time seen P.F. angry or involved in any type of conflict. He has conducted himself well in business, seems sincere, speaks intellegently and is entrepreneurial in his activities.

Based on my experiences with P.F. I can vouch for his credibility and wish it be known that I support him in his efforts to defend himself.

Sincerely,
