To Whom It May Concern :

I became acquainted with Mr. P.F. Lazor in 1978 while taking the <sup>same</sup> course at Ohlone College in Fremont.

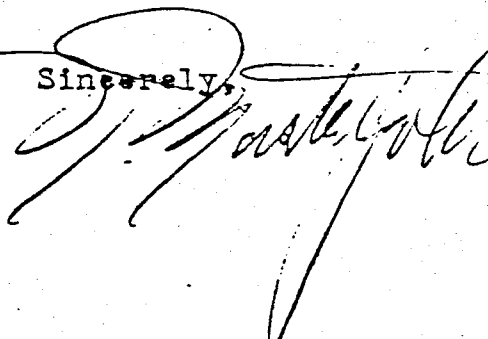

I know him as a very creative individual who has written a book of poetry.

Mr. P.F. Lazor is also an innovative person. He originated the " Buddy Holly Jr. " show. I believe he composed and arranged music for the show.

The incident in which he is allegedly involved is atypical of Mr. P.F. Lazor's behavior. I know him to be a warm, sensitive person averse to violence.
