

AFFIDAVIT OF PETER AND GENEVIEVE ANGELIDES

We, Peter and Genevieve Angelides, declare that the following statements are true and correct, based on personal observation, knowledge and interactions with PF Lazor.

Our address is: 38257 Craig Street Fremont, California 94536 .
We have lived at this address since November, 1974.

I am a professional engineer currently employed by a semiconductor company in Santa Clara. I also have a private business wherein I perform metallurgical analysis. Genevieve is employed by a Fremont firm which specializes in training prospective travel agents. Along with teaching, she has administrative responsibilities. We have a son and daughter, both of whom are presently in college.

PF Lazor moved next door sometime in 1981. And he was our neighbor for close to a year. During that time we found him to be a highly satisfactory person to live next to. He never disturbed the peace nor provoked any agitation. On the contrary he was very cooperative in every way possible.

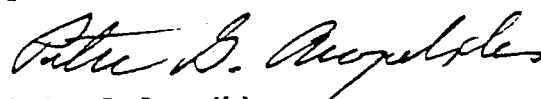

PF appeared to get along with everyone in the neighborhood. One of his most noticeable traits was kindness toward others. He showed a lot of compassion for other people, and always found time in his busy schedule to help anyone in need.

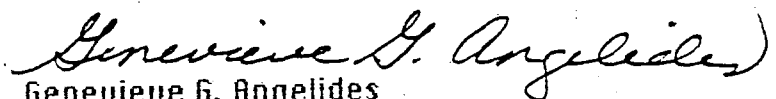

After he moved away, we had occasion to see him perform his night club act at some of the local places. And from time to time he would drop by the house for brief visits, where we found him to be the same kind and congenial person that we knew as a neighbor.

Concerning the trial- Both Genevieve and I would have been willing to testify as character witnesses at PF's trial in 1983, had we been called to so testify.

We declare under penalty of perjury that the foregoing is true and correct to the best of our knowledge.
