RE: Prisoner PF Lazor C-73842

This letter is in regard to the upcoming parole hearing of PF Lazor.

I know that PF Lazor shot a man who broke into his house, was armed and threatening to kill him. For defending himself, Mr. Lazor has been in prison for too long. There are so many criminals being released, only to return to prison again and again.

PF Lazor is not a criminal.

Remembering Mr. Lazor as a friend, I can say that he is considerate, helpful in any way possible, and always busy doing something for others.

Please exercise your authority to release PF Lazor back to his family and friends. Society will not suffer. You will have done the right thing.

Sincerely,
