To Whom It May Concern:

PF Lazor was our neighbor for a period of 8 months. During that time we had found him to be a highly satisfactory person to live next to. He never disturbed the peace or provoked any agitation. On the contrary he was very cooperative in every way possible.

He appeared to get along with everyone in the neighborhood. One of his most noticeable traits was kindness toward others. He showed a lot of compassion for other people, and always found time in his busy schedule to help anyone in need.

After he moved away, we had occasion to see him perform his nightclub act at some of the local places. Also, on occasion he would drop by the house for brief visits. He surely did not appear to change in personality or character during these subsequent visits and encounters.

Sincerely,
