

AFFIDAVIT OF RONALD E. SHOEBRIDGE

I Ronald E. Shoebridge, declare that the following statements are true and correct, based on my personal observation, knowledge and interactions with PF Lazor:

My address is 8275 Chubb Road, Northville, Michigan. I have lived and maintained a business in this community since 1959.

1959 - 1971 Shoebridge Brothers Asphalt Paving Company
1963 - 1983 Salem Airport, Inc.
1980 - 1989 R. E. Shoebridge Excavating Company

For several years, I was a member of the Salem Township Zoning Board and also a volunteer fireman.

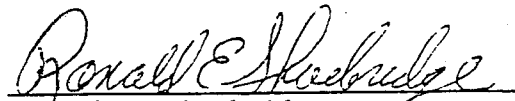

PF Lazor and his family were our neighbors from 1959 until the early 80's. As a young man PF always seemed to be striving for success. He wrote and published a book of poetry. He owned and operated an ice cream truck. On his own initiative he designed and gave to me, for Salem Airport, a very unique, personalized logo. PF always seemed to be trying to create or develop an idea that would help him to achieve a business of his own. I admired this quality in him.

PF always appeared well groomed, and displayed a very passive nature. I never knew of him ever being in trouble in our community.

I would have been willing to testify as a character witness for PF based on my knowledge of him.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
