

AFFIDAVIT OF Sabrina R. Robinson

I, Sabrina R. Robinson, declare that the following statements are true and correct, based on my personal observation, knowledge and interaction with PF Lazor.

My name is Sabrina R. Robinson, and I live at 1302 D Sierra West Ln., Chico, CA. 95928. I am now attending Butte College as a full time student, and am planning on transferring to Chico State University in the Fall of 1990, and soon thereafter earning a degree in Business.

I have known PF for approxiamately 8 years now, and even though I have not seen him for 6 years now, I still think of him as a very dear family friend. I can still vividly remember the times when PF would come over to our house, and he always showed much interest in everything that my brother and I were doing (school, sports, etc.). I was always excited to hear that PF was coming over because he was so friendly, and he would always give me a warm hugwhen I saw him. PF was a very comfortable person to be around, and I felt that I could tell him almost anything. PF was a loving and caring man.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
