Re: Granting Parole to PF Lazor, C-73842

I am writing to you to appeal for an act of clemency on your part for PF Lazor, a man who was (wrongfully, I believe) convicted of second degree murder in a self-defense case 22 years ago.

I have traveled to California to speak personally with Mr. Lazor and have examined much of the documentation regarding his case. I have been in contact with him for many years.

I am completely convinced that, upon release, he will be a conscientious and constructive citizen. Mr. Lazor is a creative, intelligent individual who is eager to rejoin society and contribute to it.

Mr. Lazor has been imprisoned for over 20 years. Please grant him parole so he can resume his civilian life and prove his moral character

Sincerely yours,

Sidney Reiners
President
