

3/10/83

To whom it may concern,

P.F. Lazor has been my regular paying customer of mine for three years. We have had several talks and he has always been nice.

If someone were to ask me if he was or is in any way "violence", I would say "no" to that. Let me repeat: my impression of him is of respect and warmth.

Thank you,

Uma Joshi

AFFIDAVIT: I do solemnly swear under penalty of perjury, that the foregoing is true and correct to the best of my knowledge.
