

AFFIDAVIT OF VINCENT PACE

I declare that the foregoing is true and correct of my personal knowledge and observation of Mr. PF Lazor, a prisoner at California Medical Facility, California.

I am also a prisoner at California Medical Facility; I am not here for any charge related to perjury and have never been accused of perjury.

I have observed Mr. Lazor as a clerk in Arts-In-Corrections while I was across the room in Occupational Therapy. We struck an acquaintance, and greeting him in the halls, he was the fastest pedestrian walking the corridors. He always had a book or a folder and a place to go.

PF Lazor provided a good example by doing the difficult with courage. For a long time he was the only white man at the iron pile in the gym.

Lazor is courteous and compassionate to those who also don't fit into the prison personality and environment, similarly to himself; to wit:

PF Lazor has a very full schedule and still managed to find time to hear out songs I'd written to enhance mid-week Chapel Mass, and he hardly knew me. Knowing him has enhanced my ability to listen.

PF Lazor is a powerful force of good here at Vacaville and would be a valuable asset to any community.

I declare under penalty of perjury that the foregoing is true and correct.
