DECLARATION

DECLARATION OF PF LAZOR
VERIFYING TRUENESS OF ALL EXHIBITS

First, being duly deposed, I declare as follows:

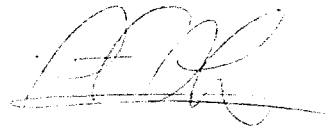

1. All of the pages comprising the following 52 EXHIBITS as part of the accompanying 35 ITEMS MEMORANDUM, are true copies, containing the true text and depictions of the original documents as I received them from various official sources.

2. On most of the EXHIBIT pages, I've affixed a commentary, clearly boxed and labled "ADDED COMMENTARY," which, on most pages, unavoidably covers over some text or visual depiction. Covered-over portions are not relevant to the points being presented. I've taken great pains to distinguish my "ADDED COMMENTARY" from original text in every instance, by enlarging, reducing, and boxing text and pointing arrows, to allow no misleading or confusion of original text with added commentary. Underscoring beneath original text has been added by me also, to draw attention to and emphasize those underlined passages.

3. The reviewer may access untouched true copies without any added marking or commentary, of transcripts and other documents as public records in the courts, the Los Gatos Police, district attorney or their co-working agencies. Untouched true copies of every page are available from my files to any reviewing judge or court immediately upon request, and are kept for an evidentiary hearing.

4. My sole purposes for the added commentaries, boxing, arrows, underlinings and such, have been for time- and effort-savings of the reviewer, and to distinguish the relevant passages and in some instances, clarify the unobvious actuality within the context of the point I've sought to present. Without these cues, there was an exhaustive amount of written/visual surplusage to go through in order to pinpoint the relevant evidence which my added cues zero-in on.

I declare, subject to penalties for perjury, that the foregoing is true and correct, based on my own knowledge.
