Dear Freeman Lazor,

Congratulations! It gives me great pleasure to inform you that your entry, *Every Song I Sing*, has been awarded First Place in the Song Lyrics Category of this year's Prison Arts Competition. The intent of this competition is to encourage and reward artistic risk-taking and to support individual creative vision. In this spirit, we wish to commend your courage in challenging yourself through art. There were over 500 entries this year, so it is a solid accomplishment to have earned such recognition.

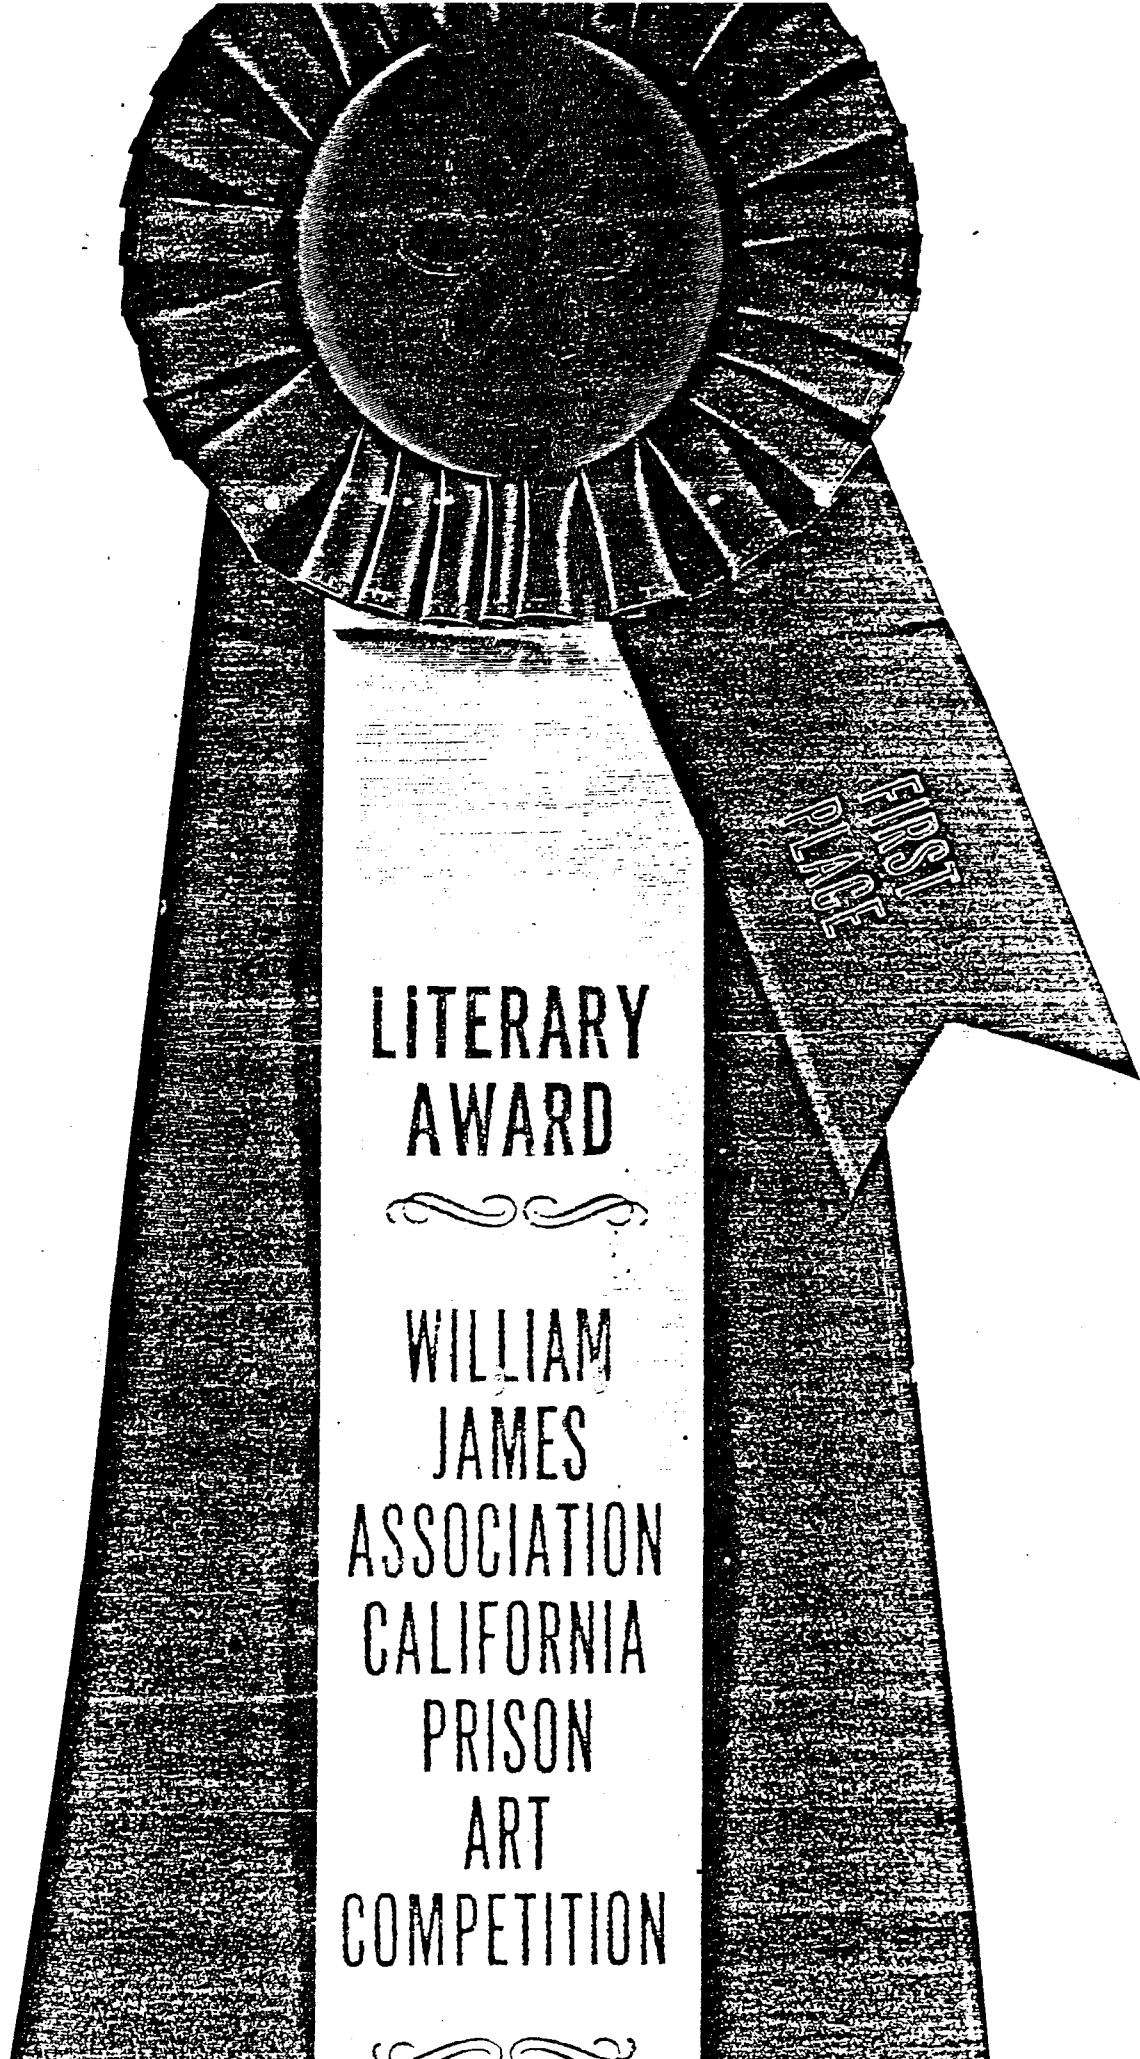

We will be sending your prize money, certificate of award and ribbon of honor in early September via your wife. If you are going to be transferred to another prison or released, please notify us of the new address to which we can forward your award.

Thank you for giving us the opportunity to share your work. Once again, congratulations and keep creating!

Sincerely,

Laurie Brooks
Prison Arts Project Coordinator
