

1. For my love for you, I live for you
While I'm alive, that's the most I could do;
O, no lie, I live, I live, I live my whole life for you.
2. My whole life is but a gift to you
that I give, I give, I give to you;
Love alone won't do —
a gift, a gift that I lived for you.
3. But there's one last thing that proves it true
And it's, what it really comes down to;
Never asking why I'd do,
I'd give up my life to die for you...

BRIDGE | I would die, I would die, I would die for you
If ever you need me to;
My lady, my love, my all,
I would die for you...I would die for you!

I'll toil and work and I'll try for you
I'll bleed and sweat and I'll cry for you
And if you need me to, my woman I'd die for you.

I'll walk on water and I'll fly for you
Against the devil I will vie for you
And if you need me to, my Wife, I'd die for you.

There's nothing I wouldn't by for you
I'd give up the whole earth and sky for you
And if you need me to, my precious lady,
I'd die for you...I would die for you!

4. For my love for you, I live for you
While I'm alive, that's the most I could do;
O, no lie, I live, I live, I live my whole life for you...

"1, 2, 3, 4":
I'll toil and work and I'll try for you,
I'll bleed and sweat and I'll cry for you
And if you need me to, my lovely, I'd die for you;

All my dreams I'd untie for you
Let my rivers all run dry for you
And if you'd need me to, even then [after all that]
I'd still die for you...Cause I love you,
I would die for you.
