

A LIFE OF SERVICE

1 A life of service
is my offering to You,
Lord, guide me
in what you'd have me do.
I'm a member of Your body
I'm your willing, molded clay
I am born anew, again in you
each day:

REFRAIN: In service to our King
who created everything:
Living service,
Loving servants
Praise we sing.

2 A life of victory
our reward you freely give,
When we follow You
in how you'd have us live.
We have come to you defeated
But you never let us down
You interceded
till we've humbly won your crown...

3 My ^{Ruler} Lord and Savior
how refreshing is your Word,
Inspiring like
no sweet sound I've heard.
I'm a witness to your living,
loving, giving great mercy;
I'm your walking, talking
test-i-mony:

[REPEAT REFRAIN]

4 Fellowship in Jesus ^{Jesus}
is the bond that keeps us bound,
Weaved upon His Rock
of solid ground.
We are grounded in our God ^{Holy One}
whose will made everything we see
Who offers everlasting life
He gives for free:

[REPEAT REFRAIN-Ritarded]

* Very ritarded.

END TAG: A life of service *
is my offering to you... [End there]
