

1. Oh, gracious, heavenly Father
How you teach in mysterious ways.
As you add to our years,
through the trials, through the tears,
As we fail to count as a gift, each of your passing days.

Days that teach each hour is a gift,
Each drop of life is an art...
And to learn that the heart of the problem you face,
is a problem of the heart.
2. Your WORD has creative power,
with the promise to do greater things
than your Mighty one Son,
as he walked the earth a man
as a teacher of all the treasures, righteous living brings.

Teaching us each hour is a gift,
Each drop of life, truly, art...
And to learn that the heart of the problem you face,
is a problem of the heart.
3. Impart your Holy Spirit
into my conformed, willing heart,
and help me mold my life
to your will
no matter what the trials, and never to depart.

And to focus on every hour as a gift,
Each drop of life as an art...
And to remedy the heart of the problem, we know,
is a problem of the heart
4. Oh, Author of creation,
as your power of love vibrates,
in oneness with truth,
perfect and pure,
may I be part of your WORD, as it creates...

And create in me, each hour as a gift,
each drop of life a fine art...
Now knowing that every problem
is a problem of the heart...

And to live out every hour as a gift,
Each drop of life as YOUR art,
and resolve every one of life's passing problems,
as a problem of the heart.
