

## **ABOVE ALL ELSE IN CREATION**

5-20-93  
(#5)

- 1. Above all else in creation  
in my eyes you're set aside and apart  
All else next to you that life will ever give to me  
is a pittance in the kingdom of my heart.**
- 2. Above all else in creation  
I pay the greatest honor to you  
For I know that of all the other glories He has made,  
none of them mean to me what you do.**

**BRIDGE: Have we come here for some other purpose ?  
Or is all my love I give you enough ?  
Above all else He created in creation  
for you from me He made all this love.  
Your love lies above  
the greatest dreams and all sensation —  
A love above all else in creation.**

- 3. Above all else in creation  
I've come to love you the most  
I'll love you above everything else He created  
till the doors of eternity are closed.**
- 4. Above all else in creation  
She's my lover, partner, my best friend and Wife  
Life has many things to cherish, to covet and to love,  
in all this she's the love of my life.**

**[REPEAT BRIDGE]  
[INSTRUMENTAL]**

- 5. Above all else in creation,  
its majesties that take our breath away.  
All these will pass — glimmers in a looking glass,  
but our everlasting love will always stay.**

**VAMP: I'll love you above everything else He created  
till the doors of eternity are closed . . .**

**All this will pass — glimmers in a looking glass  
but our everlasting love will always stay . . .**

**[REPEAT INTO FADEOUT]**

**[END]**
