**Ask:
And He said He'll give you
any righteous thing you want ...**

**Seek:
And you'll find that hard thing
you've been looking for ... ***

**Knock:
And any door will be
opened up to you ...**

**Just believe !
And praise Him every day
or the good you got
may fade away ...**

[REPEAT OVER & OVER]

* Alternate line: "But first find his will ..."

This short, powerful, repetitive tie/bridge,
standing on its own, to be inserted between
each song on "Praise Album."
