

"BETCHU"

[INSTRUMENTAL INTRO]

- 1 You were bettin all or nothin
 thought the chips were made of pieces of my heart
 You played for fun while others play for keeps
 You were beaten from the start (From the very start).

HOOK: Bet you wish you hadn't left me
 Bet you never let it show
 Bet you wish things were different
 Bet you thought I'd never know.

Bet you wish things weren't so cloudy
 Bet they played you like a game
 Bet it doesn't seem so fun now
 Bet you wish things were the same. *(AS THEY WERE BEFORE)*

- 2 There were rules in the game plan
 There were offerings you didn't choose
 Those who loved you tried to save you
 But you chose instead to lose.

[INSTRUMENTAL ON HOOK]

- 3 While you figured you were winning
 You felt that you should keep it all
 But when you deem all others losers
 Your own writing's on the wall.

[REPEAT HOOK]

- 4 Hearts are stakes too big for gambling
 Human feelings aren't mere toys
 When love is bid down at your own call
 It's only your own gain that cheating destroys.

[REPEAT HOOK AND ADD]:

...Bet the worst is now over
 Bet there's better times to come
 Bet you learned something forever:
 Don't bet the lesson that you've won.

[FADE OUT REPEATING HOOK]
