

BILL AND HILL . . .

2-26-16
(#27)

1. **Ships come in the harbor loaded down with da da,
train loaded with cocaine speeds rushing `cross the plain.
Airbus landing heavy at Mena,
with more dope than anyone has seen — ya
know Bill and Hill are at it once again.**

2. **MAGNA CARTA kept us free since twelve-fifteen,
the greatest check against tyranny the world has ever seen.
With the stroke of a pen, and treason times ten
it was struck down by Congress under William Jefferson.
There go Bill and Hill, doin' their thing again.**

3. **Body count piles up around the in-famous duo
see them with your own eyes, but then, what do you know ?
Some of us remember a better time when
White House crimes weren't so out in the o-pen . . .
But Bill and Hill are at it still — again.**

4. **Politics as *unusual* in "The People Rule" State;
a payoff, another suicide, smoking gun just walked away.
The king acting queen, the queen vying to be king,
example for the feminine, more scandal of this specimen —
Hand-in-hand, Bill and Hill are at it again.**

5. **Forced sex isn't rape for those who don't know what "is" is,
it's all in a day's work, the comeback kid, the usual biz . . .
scandals and cover-ups, standard regimen
for the most entitled special U. N. citizen.
Setting new precedents Bill and Hill doin' their thing again . . .
Who-whats the next precedent, Bill and Hill still at it again . . .
who-whats the next president, Bill and Hill still at it again.**
