

BRIDGE TO SOMEWHERE

9-5-16 (1)
(#64)

- 1. I wandered on this journey many years.
Found many trials and heartaches washed away in tears.
It took so long to realize I'd never be self-fortified,
only you could fill the hole deep inside.**

**BRIDGE: Take me on this bridge to somewhere unknown;
my life's only possession left I want to own.
Whatever pastures lay beyond horizons I can see:
that's the only place left for me . . .
You're the only place I want to be.**

**REFRAIN: . . . A bridge to somewhere unknown . . .
And even though I treasure the time I have alone,
I'd travel down this bridge any time to anywhere
as long as you were there —
A bridge to somewhere, a bridge to anywhere
as long as you are there.
(Show me the way.)**

- 2. Without you here my life will go nowhere.
Wherever it once was going I don't care.
The two of us always belonged together from the start
— cut from the same fabric we beat as one heart.**

[REPEAT REFRAIN]

- 3. [REPEAT FIRST TWO LINES OF VERSE 1, AND
LAST TWO LINES OF VERSE 2]**
