

1. We disbursed from the captivities
through the Caucasus and up from Babylon.
We combed all of Europe's vast lands and seas
in our westward trek forging new countries.
We lost the memory of our glorious past
of where we'd come from and who we had been.
Fathers failed to pass on a history that would last
and mothers soon forgot even when the children asked.

HOOK | That's how we became mistook; We, the Children of the Book.*
| That's how we became forsook; The birthright Children of the Book.*

2. We wandered and stumbled till we rooted once again
in a land we could claim as our own.
And though blinded as to our heritage as men,
we built righteous empires, like there'd never been.
It's written in the Prophets that our People would be blind
losing all memory of who and how we were.
But in the last days it would come back to mind,
and we'd wake up and gather again with our own kind.

How could we have been mistook?; We are the Children of the Book.
That is how we got mistook; The birthright Children of the Book.

BRIDGE | We forged our way through the passes and across the seas.
| We conquered the wilderness and quelled enemies.
| We turned hostile jungles into habitable cities.
| Israel, the Almighty's. Israel, the Almighty's.

INSTRUMENTAL

3. Our People are awakening in every distant land
where we're scattered to the furthest points on earth.
Our numbers are increased as the stars and grains of sand
--the embers of His fire finally starting to be fanned.
We've now arrived at the final gathering stage
for Israel to stand up and be counted.
As the book of our history now nears the final page
let us prepare to usher in our Ruler's Kingdom Age.

Our enemies will never again be mistook; for we, the Children of the Book.
We will no more be mistook; We're the birthright Children of the Book.
We will no more be forsook; For we know now we're the Children of the Book.
--We know we're the Children of the Book...
--Still the birthright Children of the Book...

FADE OUT TO END

END

*Repeat second half of hook line every time;
part overlapped in background with next
oncoming line.
