

1. With the swashbuckling, heroic agility
of a Robin Hood, a cowboy, Sinbad and Jesse James.
Through the march of the eras across history
against corporate evil 'neath hidden faces and names.
2. Comes a one now and then who will stand for what's right
'gainst the forces of evil and all their powerful host.
As if aided and driven by supernatural might
who appears on the scene just when needed the most.

REFRAIN

3. Joan of Arc, Deborah, Ehud, Othniel and Jael,
great ones of great courage that stood in the gap;
who risked all for the call, to step beyond the rail
and reach to their inner depths for all they could tap.
4. The call is here again, few can hear when it's at hand.
Their means to discern, long obscured beneath the veil --
Of spiritual blindness that again has cursed our once-free land
--Come now, called-out ones, Do Not Fail! DO NOT FAIL!
