

DON'T EVER FALL FROM THE SUN

2-16-16
(#20)

HOOK: If you're going to fall for yourself,
 don't ever fall from the sun
 (you know, you're not the only one) —
 If you're going to fall for yourself,
 if you're going to fall for yourself,
 if you're going to fall for yourself,
 don't ever fall from the sun.

HIT SONG

1. Just when you think that you can't be moved,
that you're the rock, an invincible stone.
Someone better will come along
and knock you off your throne.
Just when you think you own
the diadem and the scepter —
just you, and you alone,
someone better will come around
and cast down your crown
and knock you off your throne.

[REPEAT HOOK MULTIPLE TIMES]

2. Gazing in the mirror, what do you behold,
at your insatiable feast of adoration ?
You're now a household name basking in glory and fame,
a masterpiece of your own creation.
Make war, make fun and your own tales of valor spun,
you've made the grade and now you're "*the one*".
Above the moon, beyond the stars,
sittin' pretty on your throne in the sun.

But . . . **[REPEAT HOOK MULTIPLE TIMES]**
[INSTRUMENTAL]

3. When you've become the king of the chessboard
and forget before your rise you were a pawn;
you won't even allow your best friends' feet
to soil your pristine lawn.
Bought into your image, even think you're better bred,
your status has gone completely to your head.
You think your once-lowly station is forever gone and done.

But . . . **[REPEAT HOOK MULTIPLE TIMES]**
. . . `Cause it's a long way down ! *
