

Don't let them get you down,
 Don't let them bow you to the ground!
 Don't let them break you --or shake you
 --or take your crown!
 Don't let 'em get you down! *

1. Injustice links injustice, in a chain reaction.
 In perpetuation escalation, to extremes.
 And what we can see and calculate, is just a fraction
 of the myriad worlds it's crushed in shattered dreams...
 But:

[REPEAT HOOK & TURNAROUND]

2. There's a suit of armor for The People Of Oppression,
 who The Destroyers seek to wreck at every turn.
 It's a state of mind that you must always keep in session;
 an attitude that all survivors have to learn.
 It's:

[REPEAT HOOK & TURNAROUND]

3. When your dignity is intact and they're about to take it;
 when they've plundered and destroyed everything else.
 That's the moment of the test, and don't you dare forsake it!
 You can hold your own where others' courage melts.
 You just:

[REPEAT HOOK]

[FULL INSTRUMENTAL]

4. The prophets and the poets paint this picture getting much worse,
 in a world that breeds the evil with the cynical.
 For "The People Of Oppression" who'll be the targets of their curse
 until our day dawns with theirs toppling from their pinnacle...
 Till then:

[REPEAT HOOK TWO TIMES, AND TURNAROUND]

"DON'T LET 'EM GET YA DOWN!" **

END

- * Hook contains its own short instrumental turnaround at end.
- ** Sung fast, almost a cappella.
 Snappy style, almost staccato-like bounce to whole song.
