

1. You made the world, You made the night and day.
 Out of love, you made all things by your say.
 While the world voices glories in their conquests of things,
 it is for your glory, that my heart sings.
 As your beautiful creation, by law
 marches on, inspiring those pondering, with awe.
 With your Spirit pressed into mine, I am empowered by your love-divine!

CHORUS You made the world, You make the night and day.
 Out of love, you make all things by your say.
 If your love, could cease to be; would be the end of the world - you & me.

BEAUTIFUL HORN SECTION INSTRUMENTAL TURNAROUND

2. You make the worlds, you make the nights and the days.
 Each one passes, but your law never sways.
 While the world's eyes are blinded in idolatry,
 it's your majesty in all things, you've blessed me to see.
 As your love and power are the heart and wings
 of your omnipresence sustaining all things.
 So your Spirit, drawn into mine, infuses that power in me, divine.

You made the worlds, you made each night and day.
 Out of love, you've made all things by your say.
 If your love, could cease to be; would be the end of all worlds, you & me.

FULL INSTRUMENTAL [THOSE BEAUTIFUL HORNS]

3. You made the world and history's every-new day.
 By authority only you can display.
 While the darkness of the world threatens its wrong and might
 I sing the power of your WORD, as a song of light.
 As the globes spin in the heavens, perfectly,
 never deviating off course, one degree,
 through your Spirit, by mercy in mine,
 I'm given life by which I give your love-divine.

You made the world, You made the night and day.
 You made and you sustain all things by your say.
 If your love would ever cease to be,
 would be the end of all things, end of all worlds,
 end of all love, and all our dreams, and you and me...
