

PROLOG: [SLOW, ALMOST SPOKEN]

My Brothers and Sisters be strong in YHWH,
and be strong in the power of His might.
There is a raging battle between good and evil,
a war since Eden between wrong and right.

MODULATE UP

1. So put on the whole armor of YHWH,
don the divine suit He's provided.
For we do not wrestle against mere flesh & blood,
but a spiritual house of evil His son conquered and divided.
2. Now put on the war belt of truth firmly in place.
Just one lie will push the presence of Yahweh away.
And wear proud & hearty Yah's breastplate of righteousness,
to firm your resolve to stand strong, come what may.
3. And fasten as your footwear the good news of peace,
so you can walk your talk even where our foes increase.
And mostly use the shield of faith against their awesome guns,
to quench even the fiery missiles of the wicked ones.

4. Strap on the protective helmet of salvation,
that comes only from Yahshua, our risen King.
And wield the sword of Yahweh's spirit — His own WORD
so sharp its power can cut through anything.
5. So now you're ready to stand valiantly;
praying constantly in the Spirit of YHWH.
Watching steadily with perseverance and courage,
to win each spiritual battle till the final day.
