

## **EVERYONE WAS BORN INTO A DEATH SENTENCE**

5-21-14  
(#50)

**HOOK:** Everyone was born into a death sentence  
So always make the most  
of every drop of life you can.

**REFRAIN:** Some will opt for less  
Some will fight for more  
Some will give and some will take  
the gift we all once struggled for.  
However long or short your span  
whatever dreams you scorn or plan,  
**(HOOK:)** everyone was born into a death sentence  
So always make the most  
of every drop of life you can !  
**[FOLLOWED BY HOOK RIFF]**

1. Some men hammer ploughshares for peace  
while other men clamor for war.  
Some afflicted with a lifetime disease  
few ever understand what for.  
Some will give all they hoard in production  
others will live by the sword of destruction  
most trade their lives for a sentence reduction  
while too few live by this simple instruction:

**[REPEAT REFRAIN] \***

2. Only some will come to march to a different drum  
to music generating in their soul.  
Only but a few will ever become  
their own product shaped by an inner goal.  
Most will follow someone else's dream  
many ever-wallow in a damned-up stagnant stream  
in quiet desperation, their whole life a silent scream  
never feeling inspiration, or healing self-esteem !

**[REPEAT REFRAIN]**  
**[INSTRUMENTAL]**  
**[REPEAT SECOND HALF OF VERSE 1]**  
**[REPEAT LAST FIVE LINES OF REFRAIN/HOOK]**  
**[REPREAT INSTRUMENTAL RIFF, TO FADEOUT]**

**[END]**

Written: May 21, 2014

---

\* Alternate first 2 lines of refrain:  
“While some opt for less,  
while some fight for more.”
