

FOR THE REST OF MY LIFE
(All for You)

12-2-13
(#36)

1. Like the streams as they flow into parched lands
Like teams of horses' harnessed might
I will always be there when you need me the most
Like a soft dream's comfort in the night.
Like the snows that flow from the mountain
Like the power from the glory of light
Love will pour out from me like a fountain
All for you, for the rest of my life.

 2. Like the rivers find their way to the oceans
Like the timing of the planets' interplay
I will be there when you need me the most
It matters not what comes — I will stay.
In enduring trustworthy completeness
I devote to you my manliness and might
With uncompromising tenderness and sweetness
All for you, for the rest of my life.

 3. I will stay, I will go, where you need me
I will lead, when you need me that way
I will be there when you need me the most
I will be here for you, come what may.
With renewal like spring flowers' unmatched beauty
Bonding breathless souls inspired by this sight
All my loyalty for you, my highest duty
All for you, for the rest of my life.
- . . . I will be there whenever you need me the most
All for you, for the rest of your life.
All for you, for the rest of our life.
