

HAVE COME TO BE ONE

9-5-11

1. The Father and the Son
and the Spirit of Yahweh
have come to be one,
with the spirit of man.
2. To defeat a devouring foe
and a formidable adversary,
and raise us up as His sons
as only His Spirit can.

To conquer and overcome
an enemy, even within us,
to conform us to His Son
the example and image He sent us.

3. We know our Shepherd's call,
for He's culled and set us apart.
We hear it through it all,
for He's planted it in our heart.
