

1. HE can change the heart of the most fallen soul.
 HE takes broken parts and builds into a whole.
 HE can heal the worst and darkest aches we feel,
 HE can take our shattered dreams and make them real.
 HE holds in his hands the key to every door,
 HE fills all our needs and then he gives us more.
 In best of times he's there
 -he's there in times most grim.
 If we surrender to him.

2. HE controls the skies, he brings us sun and rain.
 HE hears all our cries and knows each joy and pain.
 HE works out his plans by means we can't conceive,
 HE knows all our doubts, he knows what we believe.
 HE knows his creation, every piece and part,
 HE searches the depths of every soul and heart.
 Even when betrayed by trust that we've broken,
 HE takes us back again.

- *
 3. HE governs the times knowing the last and first.
 HE discerns all kinds, our very best and worst.
 HE knows what our lives will be before our birth,
 HE sets forth the bounds of every universe.
 HE's the final judge of every deed we do,
 caring 'bout the trials and needs of me and you.
 In his justice he'll reveal eventually,
 triumphs his great mercy!

4. HE has spun the spheres across the vast and deep.
 HE wipes dry the tears of human hearts that weep.
 HE justly restores the undeserved by grace,
 HE has mended even the most hopeless case.
 HE sustains the worlds, the heavens, time and space,
 HE maintains each planet whirling in its place.
 Yet he stoops to rescue one who's fallen down,
 and trades his shame for a crown.

[These lyrics to be sung to the existing tune to the song "HE" written by someone else (probably performed by Bette Midler), supplanting these lyrics for their original words - or sing both theirs & these]
