

INSTRUMENTAL INTRO: OF HOOK LINE

1. He will turn every tragedy, into victory!
 He will burn by His majesty, the night into light.
 And He'll take the heavy yoke of all burdens of steel,
 even break every spoke of the adversary's wheel.
 In His time, perfect timing, however long it takes:
He'll bless me with every move the enemy makes. *

INSTRUMENTAL TURNAROUND **

2. Even though I may not see it when I'm deep inside the beast
 of the horrors and injustices of our adversary's feast.
 He is silently at work there, as the evil-doers' foe —
 It's our Savior interceding in the realms we'll never know.
 And He proves it when I trust Him with the very highest stakes:
That He blesses me with every move the enemy makes.
3. He allows us hard experience to shape us as He's willed.
 He suffers us to suffer as His gemstones honed and milled.
 He created all the pieces, His WORD works in everything
 to wring glory from whatever the prince of this world may bring.
 He can take all You've given me, I'm blessed more, the more he takes:
For you bless me more with every move that enemy makes.

INSTRUMENTAL: OF FULL SONG PATTERN

4. His children face adversity, for a purpose He has planned.
 Why some promised the worst to be, we may never understand.
 But He's always at the helm of everything that comes to be,
 in the silent realm turning every loss into a victory.
 It's a promise that He's made to those He never forsakes:
He blesses us with every move the enemy makes.

FOLLOWING TURNAROUND:

He blesses me with every move the enemy makes!
 He blesses me with every move the enemy makes!

REPEAT 10 TIMES INTO FADEOUT +
 [In Satan's face!]

END

- * This is the hook line, ending each verse.
 ** The musical pattern of the hook.
 + Vary "me" with "us" and other variations.
