

1. YHWH chose a special<sup>1</sup> People, called<sup>2</sup> them Israyl.  
Made a covenant with them, to choose paradise or hell.  
The Nation as a whole defied the promises they made,  
forsaking freedom and indulging in all Yah forbade.  
\*
2. But in every generation, there have been a few;  
a remnant raised to teach their kinsmen truth they never knew.  
These are beacons of YHWH's light, pointing out the way,  
to wake up their whole scattered Nation, to the laws of Yahweh.

**REFRAIN** | It's His Christian Peoples' heritage!  
They're only now reawakening to its meaning and their right.  
Only now beginning to see and understand,  
their race, their special place in Yah's creation,  
and their promised land.  
—OUR CHRISTIAN PEOPLES' HERITAGE!  
One that evil progeny can never partake of;  
A People set apart with a solemn responsibility,  
to take the sword of YHWH, and cut His people free!

**HOOK** | IT'S HIS CHRISTIAN PEOPLES' HERITAGE!  
IT'S OUR CHRISTIAN PEOPLES' HERITAGE!

3. YHWH's chosen People strayed so far into depravity.  
So once again, He appointed them to fall into captivity.  
To "lords" whose every law is wickedness that knows no boundry,  
in turning the whole world into one giant enslavement foundry.
4. But in Yah's providence He disciplines His chosen ones,  
by the agony of slavery as a rod upon His sons.  
And now again His People are repenting for His grace,  
to lead them to take back what's theirs, their land, their laws, their race.

REPEAT REFRAIN/HOOK

5. We are at a crossroads now, <sup>against</sup> with tyrants drunk with power.  
As the war that started in the garden nears its final hour.  
Kinsmen gather now to pledge our courage, lives and trust,  
to rout our eternal enemies from this land He promised us.

REPEAT REFRAIN PREDOMINANTLY OVERLAPPING HOOK, TO FADEOUT

END

\*[Instrumental turnaround between each verse].
