

HUNGER!

11-20-92
(#30)

1. Lately, I've been fully overcome
by this aching, that holds my heart for ransom.
It's burnin' in me —
pushing me to the ledge
Unless this urgency's quelled
I'm going over the edge!

HOOK: With hunger! My hunger for you!
Hunger! It's tearing my soul in two —
Hunger! A hunger that's true
Hunger! A raving hunger for you!

2. I can't stand it, my insides are on fire!
I'm starving, in the heat of desire!
I need, I need, I need,
I've held this seed far too long
Oh! I ache! I die! I bleed!
No drive on earth is so strong!

As this hunger...

[REPEAT HOOK]

3. Heart's shattering apart, if it could it would bust,
I will hunger forever for your love beyond lust.
It screams! How long can I go
unanointed with your oils?
I more than ache to ravage you
and taste the essence of your spoils —

Take my hunger...

[REPEAT HOOK]
[INSTRUMENTAL]

4. There's but one cure, for my soul's agony,
only one hope, and she holds the key.
I'm coming to you — come to me
as our flood gates both burst!
Satisfy my aching cry
so I'll never again thirst!

With this hunger...

[REPEAT HOOK]

5. It gnaws inside me, floods my dreams, I can't sleep;
It claws to be free, awake, it breaks me to weep.
Satisfaction's so hard —
Come and show me how you need me
before I die of hunger!
I just need your love to feed me —

Take my hunger...

[REPEAT HOOK]

[END]
