

1. I love you, Yahshua, I praise your name.
When all else is finished, your WORD will remain.
Your WORD's truth and love frees me, from the world's harms...
When the pain's washed away, I'm there wrapped in your arms.
2. We love you, Yahshua, we praise your name.
The whole world was lost unto death, till you came.
Your death justified us by paying our debt...
Your life has redeemed us, sin's wage has been met.
3. I love you, Yahshua, I praise your name.
I know you restored sight and healed the lame.
Impart faith unto me to overcome now...
Surrendered to Yah's will, as you showed me how.

MODULATE UP

4. I love you, Yahshua, I praise your name.
You bore my death sentence, my scorn and my shame.
I worship and praise you in deeds and my heart...
No afflictions or world's wealth can pull us apart.
5. We love you, Yahshua, we praise your name.
Our goal is your purpose, your glory our aim.
Till all your creation, like us, finally sees...
Humbled under your sovereignty, bowed on our knees.

INSTRUMENTAL

6. We love you, Yahshua, we praise your name.
When all else is finished, your WORD does remain.
Your WORD's truth and love frees us, from the world's harms...
When the pain's swept away, we're there held in your arms.
