

IF SUDDENLY SHE'S GONE

10-24-15
(#76)

1. **One fish in a barrel
one missed Christmas carol
one list of apparel . . . ***
Fun kiss that turned sterile
— **Turn and suddenly she's gone !**
turn and suddenly, she's,
suddenly she's, suddenly she's gone !

2. **One straight-shooting arrow
plunged deep in the marrow
one missed fallen sparrow . . .**
Walked paths far too narrow . . .
— **Turn and summer became fall**
— **Turn and suddenly she's gone !**
turn and suddenly she's,
suddenly she's, suddenly she's gone !

3. **Already changes coming,
hold steady while they're running,
quite heady, stark and stunning . . .**
Her life's such a mystery,
an open book no one can see . . .
— **Turn and changes turned to changes**
— **Turn and suddenly she's gone !**
turn and suddenly she's,
suddenly she's, suddenly she's gone !

[INSTRUMENTAL]

4. **Toddler already crawling,
lover's whispers still calling
colored leaves softly falling . . .**
**World's a new and different place
so much past life now erased . . .**
— **Turn and everything has changed**
— **Turn and suddenly she's gone !**
turn and suddenly she's,
suddenly she's, suddenly she's gone !

Oh, how did it all go wrong ?

5. Cheap loans get no repay
telephones with no replay
buying clones now on Ebay . . .
Killer drones rigged to betray,
loyalties all down the drain;
brace yourself for acid rain . . .
Elegance all turned to trash,
— Turn and life's a heap of ash
— Turn and suddenly she's gone !
turn and suddenly she's,
suddenly she's, suddenly she's gone !

[PAUSE]

What would you do if you turned †
and suddenly she's gone !
