

IN YAHSHUA'S NAME, AMEN

5-27-95
(#11)

1. We must obey Yahweh rather than men
living in their world of sin;
remember what Messiah's apostles said.
Whenever we're not sure we ask —
His Word's a roadmap for each task,
in all things let us be Spirit-led.

REFRAIN: Yahweh is our sovereign one we call on
with praise, again and again,
in Yahshua's name, amen.

2. In these end times we're tried with fire,
tempted and lured by flesh desire;
but our Almighty Father's still sovereign.
Yahshua has crushed our enemy
to save and set his people free,
and soon his Kingdom will usher in.

[REPEAT REFRAIN]
[INSTRUMENTAL]

3. Yahweh's Word is all powerful —
it overcomes the sorrowful
conditions of the world seen everywhere.
Put on the armor He makes sure
helps all his servants endure
each trouble, pain, affliction, fear and snare.

[REPEAT REFRAIN]

4. Our hope is sure, our faith is strengthened
though anticipation lengthened,
until Yahshua takes his throne as King.
His every promise we rely on
knowing what to keep our eye on —
in his time fulfilling everything.

[REPEAT REFRAIN, AND AGAIN, FADEOUT]

[END]
